Membership of the Guild is restricted to Teachers (and indentured student teachers) of Dance, Movement to Music and Dramatic Arts holding (or studying for) qualifications recognised by the Guild. Only by restricting its membership in this way, so ensuring its members have received a high level of training and competence, is it able to make available top-level benefits for a modest annual membership subscription.

The benefits include,

- Civil Liability Insurance for the sum of £5 Million
- Business Liability Insurance for an unlimited Turnover
- Regular magazine keeping members informed of laws and statutory regulations which could affect them
- The opportunity to attend Branch activities including Workshops, Seminars and social activities
- Representation on members' behalf on the Central Council of Physical Recreation
- Promotion of members' interests to Government departments, local Area Education and Leisure authorities and other Employment organisations

As the Guild is registered as an Independent Trade Union, it is recognised by the Government as representing Teachers of Dance, Movement to Music and Dramatic Art. Centrally organised by an Executive Council, it is a non-profit making body using its membership income to secure the highest benefits for its members.
